

## How do I delete an Account?

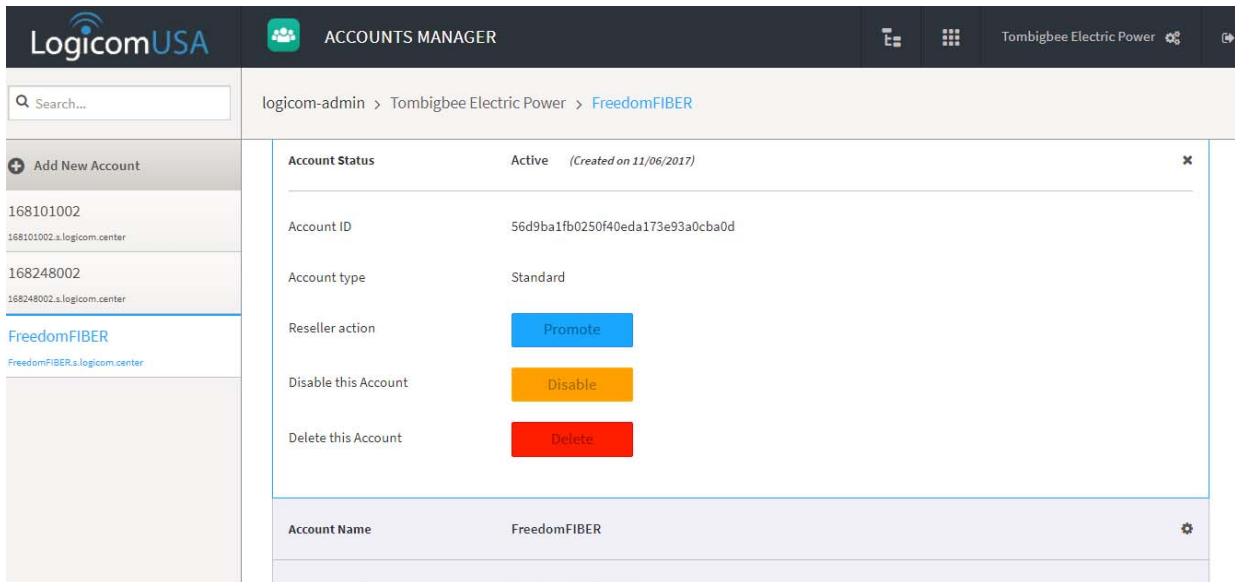

Within the App Exchange, select Account Manager

The Account Manager App will show all of your accounts in the left bar. Select the Account you would like to disable or delete.

The screenshot shows the LogicomUSA Accounts Manager interface. The left sidebar contains a list of accounts: 168101002 (highlighted with a red circle), 168248002, and FreedomFIBER. The main content area displays the 'Overview' tab for account 168101002. The account status is 'Active' (Created on 11/21/2017). A red circle highlights the 'Edit' icon (a gear) next to the 'Account Status' field. Other fields include Account Name (168101002), Account Realm (168101002.s.logicom.center), Account Administrators (0), Technical Contact, Billing Contact, and Timezone & Language (America/Chicago).

Click on the overview tab of the Account, then click edit within the Account Status. This will expand the section and will give you the option to Disable or Delete the account.

The screenshot shows the LogicomUSA Accounts Manager interface with the 'Account Status' section expanded for account FreedomFIBER. The account status is 'Active' (Created on 11/06/2017). The expanded section displays the following information: Account ID (56d9ba1fb0250f40eda173e93a0cba0d), Account type (Standard), Reseller action (Promote button), Disable this Account (Disable button), and Delete this Account (Delete button). The Account Name is FreedomFIBER.
