The screenshot displays the LogicomUSA SMART PBX interface. The top navigation bar includes the LogicomUSA logo, 'SMART PBX', and utility icons for CRAM and help. The left sidebar contains navigation options: Dashboard, Numbers (highlighted), Users, Groups, Main Number, Call Logs, Devices, Voicemail Boxes, and Feature Codes. The main content area shows a 'Numbers in use' tab and a 'Spare Numbers' tab, with the latter circled in red. Below the tabs, there are buttons for 'Buy', 'Port', and 'Sync', and a search bar with a 'Go' button. A table lists two numbers, both circled in red:
